Visitor testemonies

Company: Grendene S/A - Ernani Paulo Toso - CIO

"Coming to the exhibition is an opportunity to update our knowledge and talk to partners and companies that represent some products. A very good and very productive exhibition."

Company: Mauá City Hall - Silvio Luiz de Oliveira – IT Coordinator

"I think these events are of huge valor and enable us to have contact with technology and with partners for new acquisitions. The trade show is very well organized, with a good public, and it meets my expectations perfectly."

Company: Carrefour - Claudir Viana - IT Manager

"The event is good because it centralizes suppliers in a single site and you can optimize participation in events; an easier meeting for finding a solution."

Exhibitors testemonies

"HP is very pleased. It is a very important event for us to get close to IT sector decision makers, a major window for discussing our new strategies, and HP will certainly participate in the coming years of this event."

Company: Samsung - Fabio Harakawa lamada – Marketing Manager

"The expectation was great and the return has been even greater than we imagined. We have had great movement here at the stand and what is most important is that they are qualified people."

Company: RSA - Marcel Bakker - District Manager

"RSA is participating for the first time in the event in Brazil, but we have already sponsored Black Hat in other parts. This has been extremely productive. We are getting positive feedback from the clients. We have been able to demonstrate a great part of our portfolio."
