PRICEWATERHOUSECOOPERS �

security portal

SecurityFocus is the leading provider of security intelligence services for business, and a trusted information resource for the security community.

The services SecurityFocus provides to businesses include the following:

Vulnerability Database; Security Intelligence Alert (SIA) service; Attack Registry and Intelligence Service (ARIS)

SecurityFocus also hosts popular security community mailing lists including Bugtraq, the ARIS analyzer service,l and open-source intrusion detection systems (IDSs).

The award winning SecurityFocus Web site is the largest security information source on the Internet. The site promotes security knowledge, security awareness, and an open discussion of security-related topics. The site also provides topical content areas, called Focus Areas, on security topics such as Security Basics, Sun, Linux, Microsoft, Incident Handling, IDSs, and Viruses. In addition, the SecurityFocus site includes security advisories, vulnerabilities and solutions, security links to other resources, original content, and breaking security news.

To join the growing number of SecurityFocus members and discover more about SecurityFocus, please visit www.securityfocus.com.

Attacks on your organization's vital information infrastructure are multiplying exponentially. And if you operate in the Windows environment, your systems face unique threats from a cadre of determined hackers, competitors, customers, disgruntled employees and shadowy cyber intruders. You need to attend the one event that provides the definitive solutions to Windows security challenges—**The Black Hat Briefings and Training: Windows Security.**

Work Hard and Play Hard
This is the best formula for a successful conference! The Black Hat Briefings and Training Windows Security conference is located in the heart of New Orleans at the historic Radisson Hotel, during the peak celebrations of Mardi Gras.

Radisson Hotel New Orleans, New Orleans, LA
1500 Canal Street New Orleans Louisiana 70112
tel: +1 504 522 4500 or +1 800 333 3333
fax: +1 504 522 3627

Rates:
Feb 1-8: $149 single/double or $179 triple/quad
(Super Bowl weekend thru the Conference)
Feb 9-12: $179 single/double or $209 triple/quad
(Mardi Gras weekend)
Discount Code: BLACKHAT
(you MUST mention this code or you will NOT get the group discount rates).

briefings

At the Black Hat Windows Security Briefings you will be placed right on the front lines. Spanning two days with six separate tracks, this conference will explore the technologies, tools, and techniques needed by system administrators to stay on the cutting edge. Our speakers will be releasing current "never before seen" tactics and tools. The sessions are intense, informative and cutting edge.
