

Don't Be A Digital Target

Keep your enemy within your sights.

The annual Black Hat Europe Briefings and Training will bring together world renown ICT security experts who will present the latest research in computer and information security and digital self defense. This is your chance to meet and network with peers and professionals in the field.

Black Hat[®] **Briefings & Training Europe 2006**

28 February-3 March • Grand Hotel Krasnapolsky, Amsterdam, the Netherlands
Training: 2 days, 10 topics • Briefings: 2 days, 4 tracks, 22 presentations
